

## TOO CONFUSING

It's a mess of confusing wording and legalese, but it's not by accident: the sponsors want to confuse voters to hide how extreme their proposal actually is. Behind innocent-sounding words lies a radical proposal that would wipe out 50 years of laws and regulations about abortion and replace them with one new rule:

### **ANYTHING GOES.**

- Any kind of abortion...including partial birth abortion
- Any time during the pregnancy, including up until the moment before birth
- Any woman at any age, even teenagers getting an abortion without their parents knowing.

## TOO EXTREME

All the laws that protect unborn children — and even those protecting women getting an abortion — would be wiped out, including:

- The ban on taxpayer funding of abortions
- The laws requiring parental consent and informed consent
- The law requiring abortion clinics to pass health and safety inspections
- Even the law saying only doctors can perform abortions would be repealed
- And on top of all that, this proposal would permanently put 60 mistakes into our state constitution. Currently, our constitution has ZERO typos, grammatical errors, or other glitches. It's a good idea to keep it that way, which means you have 60 more reasons to **VOTE NO**.
